

Overview

U Learn is the University's Learning Management System (LMS) and includes a catalog of thousands of on-line and live professional development courses, certifications, books and videos. The U Learn system manages course registrations, tracking and reporting. Employees can access their learning transcript to manage their learning at any time.

Features/Benefits:

- U Learn Expansion - November 13, 2017: As part of our ongoing commitment to your continuing development, the University of Miami is expanding U Learn to include over **2,000 new professional development courses and certifications**, as well as over **100,000 books and videos**. As of November 13, U Learn's homepage includes:
 - New learner-friendly homepage with updated navigation buttons to access U Learn's most used features
 - Access to Skillsoft – a library of professional development courses, books, and live events
 - Browse for training by subject areas
 - Easy access to U Learn help and support
