Office 365 - Email Quarantine

1. Go to http://protection.office.com/. If you have not previously signed into an Office 365 service, enter in your UM email address on the Microsoft Sign in page, click Next and you will be redirected to the UM Single Sign-On page.

2. Click Threat management, then Review, then Quarantine.

3. You are now viewing your Quarantine.

For more information on managing your quarantine, please visit Email Protection FAQs.
